WCSB

BUTTONS, POSTERS, AND SHIRTS

WCSB is seven years old, and we've grown tremendously — in many ways — in that time. At five we boosted our power to 1,000 watts, and last year we converted to stereo, largely due to listener support. But there is no reason to stop there with so much yet to accomplish. You can help us sound even better, and enjoy the results of your generosity for years to come in continued quality programming.

NOW SHOW THE WORLD YOU SUPPORT WCSB WITH:

Buttons displaying the WCSB logo in an assortment of colors on a black background

Posters approximately 17 x 22 in black and white
 (The art was featured on the cover of May's program guide)

T-shirts in sky blue or black with the WCSB logo in crimson

Now you want to know how you can get this stuff. Here's the pitch. What we're asking for is a donation from you. It's tax deductible and goes toward improvements here at the station. Just as you get entertainment in return for your donations at our benefit concerts, you get something for your support here, too.

You can have the WCSB button for a little as \$1, and a poster for as low as \$2 (though we wouldn't object if you could spare more). For the T-shirts we are asking for a donation of \$25, which may sound like a lot for a T-shirt, but it's not much for unlimited radio programming.

Simply fill out the form below and be sure to include all the information. Make your check or money order payable to:

We thank you and so does everyone else who loves alternative radio.

I want to help keep WCSB growing bigger and better. Enclosed is my check or money order. You've got something for me? Gee, you shouldn't have! But since you insist
